August 27, 2024

To the Honorable Mayor, Members of the City Council:

In accordance with the Civil Statutes for Texas, please find the attached final version of the budget submitted for your approval and official adoption. The budget is intended to present, in financial terms, the overall plan for providing the municipal services during the forthcoming year for the City of Abernathy.

OVERVIEW:

Expenses in the General Fund have decreased by 4.01%, amounting to a reduction of \$91,024. This decrease is largely due to a reduction in Capital Improvement purchases across all departments, such as vehicles and large equipment, as well as the reallocation of salaries from the General Fund to the Water Fund. While the city plans to purchase new equipment, including a backhoe and a mower, these acquisitions will be funded through cash reserves from maturing CDs, rather than impacting the General Fund directly. The estimated cost for these purchases is \$101,000, which will be covered by these reserves.

Expenses in the Water/Sewer Fund have increased by 12.44%, or \$168,569. This rise is mainly due to the reallocation of salaries from the General Fund to the Water Fund, higher merit raises, and increased utility maintenance costs. The city plans to acquire new equipment, including a backhoe, a Valve Maintenance Trailer, and engineering services for lead line inventory. These costs, estimated at \$227,303, will be funded through cash reserves from maturing CDs, thus not impacting the Water/Sewer Fund directly.

PERSONNEL

Payroll activities are the largest expense, accounting for 45% of the City's budgeted operational expenses. This represents an increase of 5.4% from the 2023-2024 budget year. The upcoming budget projects personnel costs, including benefits, at \$1,647,332, compared to \$1,511,505, or 39.6% of the budget, in the previous fiscal year. The current budget accommodates 20 full-time employees and 2 part-time positions, an increase from 19 full-time and 6 part-time positions in the last fiscal year.

SALARIES

In the FY 2024-2025 budget year, employee salaries were increased with a 3.5% Cost of Living Adjustment (COLA) for all staff. Additionally, some salaries received further increases based on performance evaluations.

INSURANCE

Medical insurance cost decreased by 2.90%. The city offers 100% coverage for all full-time permanent employees and 50% of dependent coverage for anyone hired prior to September 2012 (and has been continually employed since). As directed by the City Council, a one-year cost share of 25% for dependent employees and all employees are required to purchase dental insurance. The city provides \$15,000 life insurance for all full-time employees with the option to buy additional available to them.

BENEFITS

The City's monthly contributions for the upcoming fiscal year are averaged at 3.92% per month, based on actuarial determinations provided by the Texas Municipal Retirement System (TMRS). Additional calculation details are provided below.

GENERAL FUND

The general fund provides for basic services for the City including Legislative, Administrative, Police, Fire, Emergency Medical, Street Maintenance, Sanitation Services, Parks and Recreation, Library, Municipal Court, Code enforcement and Animal Control. The General Fund receives revenue from property tax, sales tax, and franchise tax as well as transfers from the Water/Sewer fund, and other miscellaneous fees.

The full city budget for fiscal year 2024-2025, detailed in the following narrative, will encompass all major expenditures allocated within the General Funds. In recent years, the City has devoted significant revenue to maintaining public works equipment, primarily due to the age and reliability issues with

items such as backhoes, mowers, and ATVs. Last year, a substantial investment was made in the City's Police fleet, as well as in a new vehicle for the recently established Code Enforcement & Animal Control Department.

WATER/SEWER FUND

Proprietary Funds are used to account for the City's businesslike activities. A portion of the funds generated in the City's Water/Sewer Fund are transferred to the General Fund. Major expenditures allocated in the Water/Sewer Fund include line items such as the Bond Debt Service, Utility Maintenance, other Utilities, and Water Project related funds (all of which are included in the budget listed at the end of this document).

OUTSTANDING DEBT

Balance on all outstanding debt as of **September 1, 2024** is **\$653,000**.

⁽¹⁾ Interest on the Certificates has been calculated at the rates shown on the inside cover page hereof.

CASH AVAILABLE, ALL SOURCES

As of **August 27, 2024**, available cash includes:

General Fund	\$ 915,373.80
Water Fund	\$ 1,495,785.01
Other Funds	\$ 11,631.10
Restricted Funds	\$ 702,105.54
Unrestricted Funds	\$ 1,720.684.37
Total Funds (Unrestricted and Restricted)	\$ 2,422,789.91

<u>Note:</u> Certificates of Obligation (CO) are typically issued without voter approval and backed by tax revenue, fee revenues, or a combination of the two. The City's CO's are secured by a combination of property taxes and a limited pledge of the City's combined water and wastewater system revenue.

EMERGENCY FUNDS

Emergency funds typically consist of a 3-6 months insurance for continued operating expenses following a natural disaster or other calamity where the City's ability to generate or receive income might be affected. In the past, the city has consistently maintained a 6-month balance.

WATER PROJECT UPDATE

The City of Abernathy is collaborating with Oller Engineering on a project funded by a certificate of obligation approved in February 2024. Construction of the Ground Storage Water Tank and Booster Station has begun and is expected to be completed by the end of fall 2024. Details on the repayment structure for the certificate of obligation are provided above.

SUMMARY

The City staff will continue to monitor the financial situation of the budget in a timely manner, and be prepared to bring any necessary recommendations to the Council at any time during the year should our financial situation change. It is our hope that this budget reflects the thinking and policies of the City Council and is representative of the desires of the Citizens of Abernathy.

Respectfully submitted,

Donald L. Provost, Jr., City Manager
