

The City of Abernathy, Texas (the “City”) is soliciting responses from firms with professional qualifications and experience in providing municipal engineering services. Statements of qualifications will be accepted from individuals, firms, or groups of firms who can demonstrate they have the resources, experience, and qualifications to provide a range of engineering services.

It is the City’s intent to obtain engineering services on an as-needed basis to act on behalf of the City in engineering-related activities associated with City planning, infrastructure assessment, construction, and maintenance. The successful firm will provide a single person who will serve as the City’s Principal Engineer, Engineer of Record, and primary contact.

It is the City’s intent to choose one, two, or three firms to provide the requested services. It is the responsibility of the submitter to ensure all proposal materials are received by the City on or before the deadline. Late submissions will not be considered. Submissions must be received no later than 2 p.m. on December 2, 2025 at:

City of Abernathy
Attn: Julie Arrington, City Administrator
811 Avenue D
PO Box 310
Abernathy, Texas 79311

The complete Request for Qualifications packet can be found on the City website at www.cityofabernathy.org.
